## **Kimberly-Clark Teams with Dexion**

**Peter Farmakis**  
Dexion Managing Director

Dexion Limited, Australia's leading storage solutions and equipment supplier, today announced the signing of a \$26m contract with Kimberly-Clark in respect of their major distribution centres in NSW and South Australia.

The contract is for the supply and installation of automated storage and retrieval systems at Erskine Park in NSW and Millicent in South Australia. Work will commence in the latter part of 2007 and continue until the third quarter of 2008. Post installation Dexion will continue to maintain the systems as part of a ten year support agreement.

Dexion Managing Director, Peter Farmakis, said that he was delighted to be working with Kimberly-Clark on what is a major capital expenditure program to further improve the efficiency of their supply chain. "We are confident that the solution offered, our project management expertise and the ability to provide full maintenance support will greatly assist Kimberly-Clark in achieving its objectives."
